

Friends of Sligo Creek

Thank You!

Dear Sligo Creek friend,

Thank you so much for participating in our Fall 2018 Sweep the Creek, coordinated by Friends of Sligo Creek (FOSC) with support from Montgomery Parks. We are so grateful to you and your neighbors for joining us in striving to keep our community trash free.

Friends of Sligo Creek is a nonprofit community organization dedicated to protecting, improving, and appreciating the ecological health of Sligo Creek Park and its surrounding watershed. We hold clean-up and clear-out events in the park, offer indoor programs for learning, and organize guided outdoor explorations. We monitor civic developments, monitor the creek's water quality, and advocate for policies and decisions that will support a healthier Sligo Creek.

If you aren't already a member, we invite you to become more involved with Friends of Sligo Creek. You can [join](#) to receive our newsletter as well as tell us how you might be interested in getting more involved (www.fosc.org/join). If you want to join in the conversation about what's happening along the creek, you can also [join our Yahoo listserv](#) (<https://groups.yahoo.com/neo/groups/FriendsOfSligoCreek/info>).

Again, thank you for your participation. We hope to see you at a future event!

Sincerely,

Corinne Stephens
